WELCOME

A warm welcome to Lily Welsh and her family. We hope you will enjoy being part of the Drury School community.

PAST PUPIL SUCCESS

Congratulations to past pupils Cameron Airey and Kenna Richmond who have been appointed as Rosehill College House Leaders for 2019.

Also to Taryn Richmond who now attends Rosehill College and was recently awarded the Female Rising Star of the Year at the Papakura Sports Awards. Taryn is doing very well in rowing and we wish her well for the future.

CONGRATULATIONS

Well done to **Jordon Laker** (Year 8) who has been chosen to represent New Zealand at the Australian Nationals for ice skating. Jordon will compete as part of a Synchronized team and also as a Solo Skater in the event which takes place in Sydney in December. Good luck Jordon. You have worked hard to get to where you are!

Principal's Reflection

Kia Ora Koutou

Thank you for your understanding as we closed the school for the strike day on Monday. My understanding is that no further industrial action is planned between now and the end of the year.

It has been fabulous to see all of our students competing in athletic sports over the last few weeks. The sportsmanship and 'give it a go' attitudes displayed on these days was a credit to all the students.

Looking ahead to 2019 a new school wide focus for us will be Positive Behaviour For Learning (PB4L). This is a Ministry of Education initiative that focuses on developing our own school culture and expectations to support learning and positive behaviour. This is a long term approach that will be embedded over the next few years. We look forward to updating you further about PB4L as this develops in 2019.

HOOKED ON HUMANITY AWARD

NICHOLAS LOGAN can often be spotted around the playground attending to the needs of our younger students. He is very caring and patient with them, assisting them to do the right thing. Our younger students at Drury School are very lucky to have such a helpful older student looking out for them.

ROOM 4 REVEAL

Room 4 has been learning about our magical brains and how to look after them. We have been practicing mindfulness activities such as yoga and mindful colouring. We have been learning about how to control our breathing to help when we are anxious or hurt.

Year 3 with Mrs Meier

What happens when we look after our magical, elastic brain:

<p>Practice Mindfulness:</p> <ul style="list-style-type: none"> Focus on one thing at a time Relaxed and calm Slow down Pay attention to your choices 	<p>Eat healthy food:</p> <ul style="list-style-type: none"> Keep your blood sugar levels stable Use whole grains, fruits, vegetables Minimise refined grains, added sugars Minimise saturated fats, trans fats Limit highly processed meats, salt, and sodium Get plenty of sleep Stay hydrated
