### WELCOME TO OUR NEWEST STUDENTS

A warm welcome to Keyush Patel, Carter Saunders, Manea-Rose Simona Rikona, Kaitlyn Apera, Tineesha Grech, Saphero Hayes, Mercadez Hayes and Calae Hayes who have recently joined us. We hope you and your families will enjoy being part of our community.

### SHAVE FOR A CURE

Well done to John Waters who raised \$1,033 at the end of last term by shaving his hair off. It was a very brave thing to do for a very worthwhile cause. Thanks to everyone who was able to support John.

### SCHOLASTIC BOOK ORDERS

The latest catalogue is coming home today and is open for on-line ordering only. No money or orders to be sent to school please. **Last day for orders is 8am Monday 5 August.**

Log in to [mybookclub.scholastic.co.nz](http://mybookclub.scholastic.co.nz) to place any orders.

## Principal's Reflection

Kia Ora Koutou.

Welcome back to term 3. I hope everyone is feeling well rested and rearing to go again.

This term we welcome back Melissa Peagram to our staff. From Week 2 Melissa will be team teaching our new entrant students in Room 1.

We are looking forward to seeing you at 3-Way Conferences next week. We strongly encourage you to attend these conferences along with your child. There has been a lot of research showing the importance of pupils understanding their own learning, and where they need to go to next. That means there is great value in the pupil being a part of the discussion and contributing thoughts about what they are doing well and where they need to improve. These conferences should be a positive experience for your child and an opportunity for the child, parents and teacher to celebrate progress and achievements. It is not too late to book your appointment if you haven't already done so.

**PLEASE REMEMBER THAT SCHOOL CLOSSES AT 2PM  
next week on both Tuesday 30 July  
and Wednesday 31 July  
to allow the conferences to take place**

For parents new to Drury School, this term we begin preparation for our annual Calf Club which is held on Saturday 28 September. You will be receiving lots of information throughout the term regarding Calf Club Day and how you can be involved. This is a highlight for our students each year and I'm sure 2019 will be no exception.

### OUT OF ZONE APPLICATIONS - 2020

In light of the current and projected roll growth and development in our home zone, the following was agreed by our Board of Trustees at their June meeting:

2020 out of zone enrolments will be restricted to the following priorities:

Priority Two: Siblings of current students who have conformed to the expected school behaviour standards

Priority Five: Children of Board members and children of staff employed at the school.

Out of Zone application forms will be available early next week.

## MATHEX

Four teams represented Drury School in the recent Mathex competition at Ardmore School. Well done to the Year 7 Gold team who placed 2nd in their division. Thank you to Mrs Leger for preparing the teams and to those parents who assisted with transporting the students to the event.

# CLASS SNIPPETS ..... from Room 14:

## Pentominoes

Pentominoes are various shapes made with 5 Blocks. Rm 14 students worked very well together in small groups and, using 5 blocks, made as many different shapes as they could. These were then traced, recorded and checked for double-ups. Most groups found 13 different shapes.

Next they had a discussion about perimeter and how to work it out. The students went back to the shapes they had drawn and worked out the perimeter of each shape. Mostly all the shapes had a perimeter of 12 and one shape was 11.

The next challenge for the groups was to predict how many of these pentominoes would be the net for an open top cube. The students used quad paper and made the shapes - folding them into an open topped cube to prove it!

The final challenge was to see how many letters they could make with the 5 blocks and then with those letters how many words. Most groups discovered the X, T, Z, W, M, C, L, I, E, and were able to make words like WELL, CUT and NET.

Ava said, "We got to use the blocks and work in a team. Skyla said, "It was fun and cool and we learned new things about it. We got to work in a team to see if we could do it. We didn't give up."

## DANCE WORLD CHAMPION

At the end of last term **Aimee Donald** (Year 5) attended the Dance World Cup in Portugal where there were over 6,000 competitors from 52 countries.

Aimee did extremely well and became the first New Zealander to ever win a medal at the World Cup, winning a 3rd place Bronze Medal for Contemporary and a 2nd place Silver Medal for Jazz!!

It was a very exhausting week for Aimee and her family who were very proud of her efforts - as are we. Congratulations. We are delighted all your hard work paid off.

## FODS AND CALF CLUB DAY

Second-hand books, toys and clothing: Donations of these items (in good condition please) can be left at the school office (no bric-a-brac thanks).

Sponsors: If you have a contact for a company FODS can approach for Calf Club Day sponsorship, we would love to hear from you. Please leave details with the office or email [fods@drury.school.nz](mailto:fods@drury.school.nz)

Muffi Day: On **Friday 16 August**, in exchange for wearing muffi, children will be asked to bring in an item which will be used for some of the stalls on Calf Club Day. A flyer will be going home shortly with all the details.

Next FODS Meeting: Monday 5 August, 7pm in the school staffroom. All welcome.

## MEASLES

We have been advised that two families from our school contracted measles over the school holidays. We have been requested by the Auckland Regional Health Service to advise the following:

- Please vaccinate your child or young person if they have not had one measles (MMR) vaccine. It is free at your GP
- Students in a class with someone who has measles may be asked to stay home for one to two weeks, if they have had no MMR vaccinations
- Students with one or more MMR vaccinations can still attend school

# ANIMAL SECTIONS

## CALF CLUB DAY 2019

2019

Our annual Calf Club/Gala Day will be held on Saturday 28 September this year. Drury School Calf Club is a long standing tradition and the exhibiting of calves (n/a 2019), lambs, goats, piglets and chickens is a great way of participating and keeping the tradition going. For those new to Calf Club we have sheets available from the school office which offer additional information on raising these animals and a checklist of what you will need and what is required on the day. This information may help assist with your decision on what animal will be best suited for your child.

In addition to the farm animals there is also a section for DOGS and a GENERAL PET SECTION (cats, fish, birds, rats, most unusual pet etc.)

If your child would like to enter an animal for Calf Club Day, they will need to complete an entry form. These forms are available from the school office and are also available on the Calf Club section of the school website ([www.drury.school.nz](http://www.drury.school.nz)). Entries close on Friday 13 September and are required for the following animals:

LAMBS	Must be born after 1 May	Children are expected to feed and train the lamb themselves. They are judged on (1) Leading, (2) Calling and (3) Export
GOATS (KID)	Must be born after 1 May	Children are expected to feed and train the goat themselves. They are judged on (1) Leading, (2) Calling and (3) Export
CALVES (n/a 2019)		As a result of the <i>Mycoplasma bovis</i> and the threat it presents, Calves will not be part of our event again this year. This is in the best interests of the animals, farmers and the industry as a whole.
PIGLETS	Have been pre-ordered and are due next week	Children are expected to feed and train the piglet themselves. They are judged on (1) Leading, (2) Calling and (3) Rearing
CHICKENS	Day old chicks for this section were pre-ordered and arrive on 24 July	Judging on the day will include child/chicken relationship, rearing, "My Chicken & Me" photo plus points for Crate Decorating
DOGS	Group One Group Two Group Three Group Four	- All puppies under 1 year regardless of age of handler - Junior, Intermediate or Senior (according to age of child) All dogs entered require to have a current vaccination and be registered. They will be required to weave in and out of 4 cones, jump over a log and obey simple commands i.e. sit, come etc.
GENERAL PET	i.e. cats, fish, birds, rats	Prize also awarded for "Most Unusual Pet"
'MY ANIMAL & ME' PHOTO COMPETITION		Take a photo of your child with their calf club animal showing the special relationship and bond they have. Entries to the office by Wednesday 25 September.
