**Fantastic learning from Room 2 students. Well done and keep it up!**

## Principal's Reflection

Kia Ora Koutou.

Welcome to the first week of Level 3 and for many another change of routine as people start to return to work.

Thank you for working with us last week as we prepared to open for a small number of children who do not have an adult at home. During Level 3 the school is only partially open and should only be accessed by students and staff authorized to do so.

During Level 3 all children, whether on site or at home, will continue with the distance learning opportunities shared by their teachers.

All children attending school at Level 3 must go through an enrolment process before attending school. We have detailed health and safety requirements that parents and students need to understand before starting school at Level 3. If your situation changes at any stage and your child must return to school, please notify us of this and note we need at least 24-48 hours notice in order to 'set up' new bubbles on site. Do not drop your child at school if you have not enrolled them for on-site Level 3 learning.

Most of our staff will continue to work from home during Level 3. The school office remains closed at this time. You can however contact the school by emailing [office@drury.school.nz](mailto:office@drury.school.nz)

## YUMMY FRUIT STICKERS

Please remember to keep collecting the Yummy cut-out labels from bags (each cut-out label is worth 10 stickers) as well as the individual Yummy apple stickers for our school's share of the \$200,000 free DG Sport sports gear prize pool. Yummy apples are available from New World, PAK'nSAVE and participating Four Square stores. The more we collect, the more sports gear we get.

Don't worry if you don't have the official sticker collection sheets. To keep it simple it's fine to stick them on any sheet of paper. If you have a printer at home you can download the collection sheets from [www.yummyfruit.co.nz](http://www.yummyfruit.co.nz)

**This promotion runs until the end of Term 3 so let's get going and start collecting as many of the Yummy cut-out labels and stickers as you can.**

# SHOP LOCAL, EAT LOCAL, SPEND LOCAL, ENJOY LOCAL

Over the next few newsletters we would like to support local businesses who are re-opening by providing a free space for advertising. Local businesses have always supported the school in many ways, so this is our way of giving back to you. We hope, as a Drury Community, that we get behind our local businesses at this time.

We are also grateful to the advertisers on Page 3 of the newsletter and those who advertise on our school website. You can contact them directly to see if they are open at this time.

If you know of a business who would like to be included please forward details to office@drury.school.nz
