## Principal's Reflection

Kia Ora Koutou.

I'm sure, like us, you were delighted with the move to Level 1 this week. We hope that this brings the return to another level of normality, especially for those in business.

For us, the move to Level 1 has meant that we can allow more visitors, including parents, on site without the need to contact trace. We have put our COVID-19 QR code in all classes and encourage you to make use of this if you are on site. You will need the NZ COVID Tracer app on your phone.

As I mentioned in my message to you on Monday evening, we really encourage you to consider a new routine for drop-offs and pick-ups, to continue to develop confidence and independence in your children.

The new parking system, without staff cars on Young Crescent, is working really well and has proven to be much safer for students. Please do not drop students off in the road or behind parked vehicles. **Pull into a parking space for all drop-offs** - even if it means your child needs to walk a little further.

### Community Notices

**JULY HOLIDAY PROGRAMME:** Kids After School have lots of activities planned for children over the July school holidays. [www.kidsafterschool.co.nz](http://www.kidsafterschool.co.nz) or phone 236 4078 for information and bookings.

## CALF CLUB DAY 2020

As previously announced, Calf Club will be going ahead this year with a revised format. This will now be held on **Friday 25 September, the last day of Term 3**. Students with animals will be judged in the morning, after that there will be a 'mini' fair with food stalls and games.

Thank you to FODS for their flexibility in adapting plans for this day to ensure that our students are still able to have the experience of a Calf Club. While most restrictions have been lifted with the move to Level 1, these changes remain necessary as we feel that it is not the time to be asking the community for the levels of sponsorship we normally receive to run such an event. Our plans for Calf Club are also in line with what many other schools in the area are planning.

**For those parents unable to attend on the Friday, there will be an opportunity to view the hall displays on the evening of Thursday 24 September.**

Please mark these date in your calendar and we will be in touch with more information in Term 3.

If you are considering a lamb, kid, calf or chicken this year, please note the following:

- **LAMBS:** To be eligible lambs need to be born after 1 May. Tails should be docked. Rams are permitted.
- **KIDS:** To be eligible kids need to be born after 1 May.
- **CALVES:** To be eligible calves need born after 1 June.
- **CHICKENS:** Tomorrow Thursday 11 is the final day for ordering chickens. Please phone your order through to the office if you have not already done so. **Chicks will arrive at school during the first week of Term 3.**

**Orphan lambs** available from 1st July: Colostrum fed, 5-7 days old, mixed sex, docked and vaccinated. Ewe lambs cost \$70 and ram lambs \$60 each. Pick up from Bombay or Pukekohe. Ph Liz Whitford 09 2333070 or email [richlizwhitford@gmail.com](mailto:richlizwhitford@gmail.com)

**Newborn baby goats** available after 20 July. \$20 each for Drury School students. Mix between Saanen x Toggenburg x Nubian. Pick up in Pukekohe. Phone Rachel 0210 555 285
